About Kofax Mobile Capture

Kofax Mobile Capture is a mobile application available from the Apple App Store and Google Play. The technical specifications in this document are specific to this version of Kofax Mobile Capture.

Detailed hardware and software requirements are provided below. You must meet these requirements to support your Kofax Mobile Capture system. These requirements specifically list the needs of Kofax Mobile Capture and do not include any amount of memory or disk space you require for the operating system, environment, or other software that runs on the same machine.

System architecture

The Kofax Mobile Capture application enables you to submit documents to Kofax TotalAgility or Kofax Front Office Server. See the Technical Specifications for respective products for information about their requirements.
