## Chapter 1

# About Kofax AP Essentials Technical Specifications

Kofax AP Essentials is a SaaS solution for automation of invoice processing. The solution is dynamically scalable with easy on-boarding of new customers. The technical specifications in this document are specific to the most recent release (10.3) of ReadSoft Online, since it is a cloud-based product and updated monthly.

For the latest see Kofax AP Essentials help: <https://docs.readsoftonline.com/help/eng/partner/>
