# About Kofax Mobile ID Capture

Kofax Mobile ID Capture enables classification, extraction, and verification of driver license and other identity documents from around the world. The technical specifications in this document are specific to Kofax Mobile ID Capture 2.7.0.

Specific hardware and software compatibility requirements are outlined below. You must meet these requirements to support your Kofax Mobile ID Capture 2.7.0 based application. These requirements specifically list the needs of Kofax Mobile ID Capture and do not include any additional requirements you require for other software that runs on the same device.

# Product Requirements
